From the author:

Hello and welcome to the fabulous 4th issue of *Life In The Co-Op*!

Diman and I have been working really hard to produce a well rounded adult comic. Most adult comics focus on getting two, or more, characters into a sexual situation, but pay no attention to a good story. Very few seem to pull it off. One of those is *Omaha The Cat Dancer*; the other, and big influence on this book, is *Associated Student Bodies*. And, though not x-rated adult, *Circles* had a huge influence. I hope *Life In The Co-Op* will soon live up to those comics.

In this story we take a look into Lyle and Jason's past and answer the question as to what did happen that faithful Christmas morning in episode one, "Moving In."

For updates, exclusive art, fan art, and stories, join the *Life In The Co-Op* Yahoo group (it's for Adults only):

Or, contact me directly by eamil to runtt01@yahoo.com. I'd love to hear from you.

And check out the artist's, Diman, page too!

Well, I hope you enjoy this fourth episode of *Life In The Co-Op* and please keep supporting underground artists by purchasing comics, books, and prints. Without YOU, the reader, we wouldn't exist.

THANK YOU and HUGE WAH HUGGLES!

So you have an adult comic idea that you want to see in print?

Spooo Presents™ is a comic series that highlights the best in anthromorphic storytelling and adult arts. We are always looking for new content to help us fulfill this goal. Artists and authors are welcome to submit new ideas!

File Formats and sizes - The interior pages must be at least 300 DPI high resolution for gray scale, 600 DPI or higher for line art. The file must be saved in PSD, AI, PDF, or TIFF format – JPEG and other compressed file formats just won't look pretty when we print them. Internal pages should be formatted to 6.125" by 9.750".

Contact us BEFORE you post your artwork to the web! We publish only new, original, unpublished materials. For additional details on how to submit your work, and handy comic page templates, send a note to our editor by way of email, editor@spooo.com.

HEY! What are you doing!?
There you are! I was trying to ask you a question
I'm sorry. What did you want to know?
Are you OK? You seem preoccupied?
I just got a lot on my mind
Wanna talk about it? If you're having problems, don't be afraid to ask for help. It's the least I can do, after the friendship you've shown me and Jason
Ok people, remember, this month's assignment requires you all to pair up and create an original composition. It can be any genre. You must write it out in tablature and be prepared to perform it in class. The best ones will be featured in a showcase this coming fall

Dat's Soooo Mmromantic!

Yeah. We were pretty inseparable, growing up. It's seemed the next logical step, though, I wasn't sure what Jason's reaction would be

How surprised was 'I' when you touched me like that. I thought I was dreaming. You were so sensual.

Unfortunately, the moment was short lived

Oh?

Well, he and I went much further. Our kiss lead to fondling, then exploring.

.....It got really heated. We were kissing deeply, pawing each other when we were caught by my cousin, Justin.

His job is to keep the river clear of any debris, since all the electricity for that area depends on the water flowing freely.

Anyways, he saw us together and freaked. Even told us we couldn't hang around with my younger cousin, Timothy, anymore

I guess some people still don't understand. luckily, it's so common, now, it's not an issue. . . . So, is Justin a bad guy?

Oh no..... He's a very responsible and caring person. I really don't blame him for freaking out.

He carries the weight of an entire village on his shoulders. Plus, he was forced to take on the role of Father, as well as big brother for the rest of his family.

I just wish he hadn't been so rash. I miss Timothy something awful

I'm sure he'll get over it. You guys were close, right?

Mmmm..... He and his family were my home away from home, though, my home was Jason's.

Oh?

Yeah. Lyle moved up north, along with me and my family after his parents died.

Oh no.....! I'm sorry, hun. I didn't mean to pry....

It's alright, Art. You didn't know, and I'm comfortable talking about it.

I was very young when it happened. Jason and his family gave me plenty of support

Um..... So, how did you two actually meet?

Well.....
